INTRODUCTION TO SECONDARY 1

MATHEMATICS

JULY 3 - JULY 26, 2018

8:30 a.m. - 11:30 a.m.

INTRODUCTION TO SECONDARY 1 MATHEMATICS

The **English Montreal School Board** is once again offering an Introduction to Secondary I Mathematics as a tool to help students improve their elementary math skills and prepare them for high school math topics in September. We have found that in the past, many students have benefited from this program, and this has resulted in higher grades and greater success at the high school level. This program is also offered in light of the growing importance of Mathematics in the high school curriculum.

Skills

This summer course will reinforce basic math skills, which are important for success in high school. Students will also be introduced to fundamental concepts from the Secondary Cycle I, Year 1 Mathematics program. Special emphasis will be placed on problem solving and essential skills training.

Entrance Requirements

This Mathematics course is open to all students who will be entering Secondary Cycle I, Year 1 in September 2018.

Duration

July 3 – July 26, 2018 8:30 a.m. – 11:30 a.m.

Registration

The registration form can be found on the last page of this pamphlet. Parents must register in person on June 27th between 9:00 am and 3:00 p.m. at Laurier MacDonald High School.

Late Registration

Late registration will take place on July 5, 2018, from 9:00 a.m. - 11:00 a.m. An additional \$25.00 will be charged for late registration.

Fees

\$250.00 Cash, Debit Card, Certified Cheque or Money Order made payable to:

The English Montreal School Board

Note: no personal cheques - no company cheques. No credit cards.

Refunds

There will be no refunds except in the case where the course is cancelled.

Evaluation

There is no final examination for this program and no marks will be assigned. A descriptive report will be issued to parents.
