

Elementary School Registration

If you have a child who will attend an English school for the first time, enrolment for the next academic year will take place at the elementary school nearest to your home offering you a choice of either the English Core or one of the French Extended (Bilingual or Immersion) Programs.

PLEASE NOTE THE FOLLOWING SYMBOLS IN BRACKETS:

- (E), English Core program**
(32 percent of French instruction)
- (B), Bilingual Program**
(50 percent of French instruction)
- (I), French Immersion Program**
(68 percent of French instruction)

For more information about which school your child can attend or whether he or she qualifies for English education, please call the Board at 514-483-7200.

All pupils registering for the first time are required to provide a birth certificate, proof of citizenship of the parent whose education is used to prove eligibility, a medicare card and vaccination records to the school the child will be attending. Parents will be asked to fill out forms which will allow the school to apply for the certificate of eligibility for English schooling.

Under the Charter of the French Language, a certificate of eligibility is generally granted to children who did the majority of their elementary or secondary studies in English in Canada; whose mother or father did the majority of his/her elementary studies in English in Canada or whose brother or sister did the majority of his/her elementary or secondary studies in English in Canada. Please note that as a result of language legislation, this criteria excludes studies completed in the Quebec Private School system.
