HOME & SCHOOL

Home & School would like to thank the HM community for their generous support with our bagel fundraiser. A big shout out to St. Viateur Bagels for all their support. The bulk of the funds will be going to assist with the grade 6 graduation activities. Please note that a portion will be attributed to school wide activities. A new fundraiser, Felix and Norton Frozen cookies, will begin in the middle of April. This fundraiser will also support our grade 6 graduates with their activities as well as a portion supporting school wide activities.

Without the continued support from our HM community, school activities such as, the Haunted House, Breakfast with Santa, Fun in the Sun, as well as the grade 6 Graduation ceremony and reception could not happen. Thank you all for your continued and valued support!
