## Green Plan Survey for Principals, Teachers and Students

A survey was designed to learn which common “**Going Green**” practices already exist in our schools and centers. This data will help the Green Plan committee as they develop a board–wide policy and action plan.

Principals, teachers and students are asked to participate and support with this important initiative. The deadline for completing the survey is **January 30, 2010**.

The surveys are accessible online at the following web addresses:
