January 18, 2010

Dear Parents/Guardians;

As always our first concern at John F. Kennedy High School is the safety and well being of the children entrusted to our care. It is for this reason we have developed a John F. Kennedy **Lockdown Procedure** to accompany our Evacuation Protocol.

We purchase insurance for our homes as a preventative measure. **This Lockdown Procedure is a preventive measure.** All too often we hear in the news that there was no such plan. This is the second year we practice the lockdown as a preventive measure.

Our school will be running a pre-planned drill on **Wednesday, January 27, 2010**. The school will also be organizing an unannounced drill at a later date to be chosen by the Principal. The administrators will make sure students are informed as to the procedures to be followed during the lockdown. Please discuss the importance of having such a lockdown with your children, especially secondary I students, as well as the necessity of practicing these drills seriously.

As always, should you have any questions, please do not hesitate to contact us. Thank you for your continued support, I remain,

Yours truly,

J. Marra  
Principal
