Homework and class assignments will often overlap. Work that is not completed in class is to be done for homework. Every student should also be doing silent reading at home for at least 20 minutes with a book of their choice.

This is a general outline for the English department.

In the event of another extended school closure, the Minister of Education has clearly stated that online learning will be mandatory for all students. Therefore, students will be expected to continue their studies online with their respective teachers. Failure to do so will have an impact on a student's academic success.

Late Assignment Policy

10% of the grade will be deducted per day late, up to three days after the due date. No late assignments will be accepted for grading after the third school day.

Vacation Policy:

Trips should be planned based on the school calendar. No academic accommodations will be made for students who miss school.
