

LHA Spirit

At our last Governing Board Meeting it was mentioned that we would develop a sub-committee that would explore ideas to improve the communication of school spirit with the LHA general population and with the city at large.

This is your invitation to be part of the team!

We have available to us one of the world's greatest resources: a school. It is a place where the future is being decided. And it is not just any school – it is either your workplace or your child's/children's school.

This is personal!

We want:

- Students to be PROUD of their school
- Parents to be aware of our accomplishments
- Staff to feel valued
- Our School to be an example of excellence

Step 1: Agree to meet as a team to:
brainstorm ideas
develop a mission statement
prepare a presentation for others

Step 2: Attend the meeting, prepared with positive ideas that will push this agenda forward

Step 3: Take ownership of part of the project

Short term Goal: To have a communication strategy in motion by Sept 2009

Imagine:

- The LHA Brand being the most sought after by Montreal areas students
- LHA Pride in all of our stakeholders!
