### **Water Fights In & Around School**

Dear Parents & Guardians,

With the warm weather approaching, we would like to draw your attention to the fact that water fights are prohibited on and around school grounds. This is a compromise to the safety of our students since many of these water fights are happening on the streets and sidewalks around school.

As a preventative measure, we are asking that you please have a serious discussion with your children regarding their intentions to participate in water fights since the consequence for this will be a suspension. It should be noted as well that we will not allow students into school wet, if they fail to follow our directives regarding water fights.

We are looking forward to a safe end of the school year and we are counting on our school community's cooperation on this matter.

Thank you in advance for your cooperation on this matter,

Mr. Vitantonio  
Principal

Mr. Tonin  
Vice Principal (L5)

Ms. Tummillo  
Vice Principal (L3/4)

Ms. Triestino  
Vice Principal (L1/2)
