

## MERTON HOME AND SCHOOL NEWSLETTER

December 8 ,2009

A Huge Thanks goes to Ida and her Bake sale team. Elves came in on Nov 27<sup>th</sup> and made delicious apple pies and another crew of elves were in to set up on Dec 2<sup>nd</sup>. We made 1060.00 profit, Thank-you Merton parents for supporting the sale.

December 9<sup>th</sup> Wednesday, is our first Enrichment Sign up night. I know some of you have voiced some remarks that you feel this is not a great idea. The Home and School with the Enrichment committee is not looking to inconvenience you to come back to school to sign up your children. Many hours goes into planning the enrichment sessions. This past Fall session we added on many time slots and allocated two 3:30 time slots. All this means more children registered. After the registration, volunteers allocate the children to their necessary courses. This takes many hours. This session we are trying something new, to cut down on the time and confusion. Many of you sign up in the evenings for soccer, hockey and other courses offered by the municipalities. This will be some what like the same process. So please come and register.

**Date: December 9<sup>th</sup>**

**Time: 7:00 9:00pm**

**Place: Merton School Gym**

**Notes: Sign up your child(ern) for Enrichment courses.**

**Payment: Cash, Debit, checks, and all credit cards upon registration**

**Special Note: If you can not show up you have 2 options 1. Give your forms and payment to a friend 2. Wait for the e-mail that will be sent out Wednesday night after sign up with a list of any spots left in any of the courses. At that time you may fill out your info on the PDF Enrichment registration form and send in your payment the next day.**

There will be a complete Enrichment Calendar on the First  
Newsletter for the new year.

**In case you did not receive the winter package it is available on the web  
site. All up dates again will be sent via e-mail tomorrow night.**

**Merton Home and School Executive  
See you all tomorrow Night.**
