

ÉCOLE MERTON SCHOOL

February 22, 2010

Dear Parents and Students,

1. WINTER OLYMPICS AT MERTON- It was an incredible Teacher Appreciation Week. Thank you to all the parents for the time, creativity and effort that went into the planning. What an exciting week we had, culminating in Friday's Olympics. It was thanks to the suggestion of Home and School for a winter carnival that the whole thing came into being. This is definitely an experience we want to repeat. We are so happy to work at Merton School where everyone is a champion!

2. MS READ-A-THON- Literacy, the ability to read and comprehend what you read, is the foundation for all learning. Charity, helping others, is the foundation for our humanity. The students received pledge sheets and information letters last week. Please encourage your child to read as much as possible not only for this worthwhile cause, but daily for their own pleasure and knowledge.

3. HAITI RELIEF FUNDRAISER- We donated \$1218.93 cents to the Canadian Red Cross. Thank you everyone for your generosity.

4. GREENTECH-THINK-RECYCLE- Please deposit used printer cartridges, cell phones, digital cameras and batteries in the box outside the office.
