

June Newsletter

Fun Fair: Willingdon's much loved and highly anticipated Fun Fair will be held on Thursday, June 11, 2009 from 6 pm to 8:30 pm in our school yard and gym. What a wonderful opportunity to meet others families from our school and immediate vicinity. We are asking for your help in contributing toys and trinkets for the Fish Pond game. A collection box will be placed near the main office from June 1 to June 5, to receive your donation. A huge thank you to Home & School for arranging the event.

Introduction to Secondary 1 Math -- Summer school 2009. This is a preparatory program intended to ease the transition from elementary to secondary school mathematics. The program runs from July 6th to July 31st (morning only) at 2 high schools. The schools are Laurenhill Jr. Campus in Ville St. Laurent and John F. Kennedy High in St. Michel. Registration is required and there is a cost. Please send in a note or come by the office should you require a registration pamphlet. The deadline for registration is June 19, 2009.

Reminder: June 1, 2009 is a pedagogical day. (no school)
