Environmental Fundraising

Earn Funds by Recycling Cell Phones and Print Cartridges

Information Brochure

1.888.265.2895 | www.thinkrecycle.com

GOOD FOR THE ENVIRONMENT.

Think Recycle enables you to recycle used print
cartridges and old cell phones for cash rebates while
protecting the environment.

Think Recycle is good for the environment as you help
divert used cartridges and cell phones that can take 1000
years to decompose in landfills. What's more, through our
partnership with American Forests and The Tree Canada
Foundation, Think Recycle will sponsor the planting of
one tree on behalf of your organization for every 24
qualifying cell phones or cartridges received.

Furthermore, the Think Recycle Program helps bring the
importance of recycling and the environment to the
forefront.

Environmental Impacts:

- 20,000 members already registered
- Together we've recycled over 2 million
print cartridges and cell phones
- Planted over 30,000 trees in North America

Good for the
environment.
Good for you!

GOOD FOR YOU.

With Think Recycle, you earn funds (not points) on the largest
variety of cell phones and print cartridges... more than any
other competitive program.

You can generate valuable funds for each and every recyclable
cartridge and cell phone collected. In addition, you can be
assured that your cartridges and cell phones are properly
recycled and kept out of landfill.

Becoming a member is easy and convenient. You can enroll
online at www.thinkrecycle.com and there is no cost to become
a member!

Here are some reasons to join:

- Think Recycle pays cash
- We collect cell phones, laser and ink cartridges
- No need to sort collections
- Online account features to manage your program
- Free marketing materials to boost your program
- Think Recycle will plant trees on your behalf
- Reliability, providing service since 1995
- Think Recycle is a Licensed Recycler
- Think Recycle is ISO 14001 certified
